

David Sarazen Recognized as a Stand Out 50 Leader for 2026

New York, September 24th, 2026 – The MULTIVAC Group is proud to announce that David Sarazen, Vice President of Customer Service, has been named a Stand Out 50 Leader for the second consecutive year.

The Stand Out 50 Awards, presented by the Future of Field Service, recognize leaders who are driving meaningful change through innovation, authentic leadership, and service excellence. The 2026 program celebrates individuals making a meaningful impact and setting new benchmarks in service excellence.

David Sarazen's consecutive recognition builds on the customer-focused leadership highlighted when the MULTIVAC Group USA announced his 2025 honor. That announcement recognized his dedication to supporting the MULTIVAC Group customers, prioritizing client satisfaction, empowering his team, and fostering a culture of creativity and collaboration.

Being named a Stand Out 50 Leader for a second consecutive year provides another opportunity to recognize David Sarazen's commitment to service leadership and the importance of customer support within the MULTIVAC Group USA.

The MULTIVAC Group USA congratulates David Sarazen and all of the 2026 Stand Out 50 Leaders on this recognition.
